After COVID-19 disruptions in 2020 and 2021, Auckland Diving is taking on a challenge to raise funds towards the travel costs and wages of coaches, to help reduce costs for athletes travelling to competitions in 2022.

Divers, families and friends are taking a virtual travel challenge to the Commonwealth Games, travelling from West Wave in Auckland to the Sandwell Aquatics Centre in Birmingham, UK. To get there we must collectively travel 18,261.24 km through only human powered methods such as walking, running, swimming, and cycling.

Our challenge will begin on Saturday 20 November 2021 and finish on Sunday 19 December 2021.

My goal is to travel at least _____ km

PLEASE CONSIDER SPONSORING ME BY PLEDGING AN AMOUNT PER KM I TRAVEL

Name	Email address	Phone number	Amount/KM	Total KM	TOTAL \$

I will be in touch when our challenge is complete to let you know how far I travelled. Your donation can be made via our Give a Little page <https://givealittle.co.nz/cause/adct-2022-team-travel-fundraiser>

Auckland Diving is registered with the NZ Charities Commission (CC42144) which means, in accordance with IRD guidelines, individuals can claim a 33.33% tax credit for donations over \$5.
